sted by the Treaty, there ger of it being disturbed aform such in all candor rided friends, but the lumbering interof Michigan and Wisconain, and the
uncertaing interests of Otio and all
other Western States, are as much
pd to it as New England and New
These are facts, and it will not do
tour eyes to thom. Then there is
the carrying trade of the United

jealousy and ill-will on Canadisa ewing them as interlopers and their honest rights. There is

othe Canal interest of the State of New rk—which influences every politicias in the arabourd to Lake Erle—and the sof which, wrung out of the farmers of sof which, wrung out of the farmers of West, annually reducing their States, and in this manner relieving the Yorkers of State burdens. But this is only one branch of the oppound to this Treaty. Equally hostile to the farming interests of the fire United States. The increase of the for United States. The increase of the sort duties of Canada within the past years is riswed by manufacturers as ation of the spirit of the Treaty; and matter has been argued so fully on both at their is no probability of any ne being wrought in the sentiments of interest, either in "sw England, New & Carpensylvanis. However unjust, be their pirentees and conclusions, the ascretibeless remains that the manufacts are determined to the every unjust to absorptive the treaty, unless it is not uncommon to see tons of "alters bricks" backled is and easier in the course of an lour. Yorkers of State burdens.

A training of the process of the state is only one branch of the opposite to the Treaty. Equally hostile to the manufacturing interests of the ire United States. The increase of the port duties of Canada within the past determined to use every en-brogste the trusty, unless it is extended so as to give to their

release, dated September 29th, amother things, says ( )

The clizens here referred to are the relicis who shaudoned their property when the city was occupied by the Federal troops, and since then have been engaged in active hostilities against the United States, some as soldiers in the Contiderate States, some as soldiers in the Considerate army, others as bushwhaters, mitrodring Federal soldiers in the dark, and all of them doing whaterer was in their power to destroy the Union, and imbrue their hands in the blood of loyal men. Can it be pos-sible that say of these guilty wretches are permitted to get possession of their abanbefore breakfast and dinner every day, it a chance offered to aid the rebel cause. By

CUTTING OFF NEW ENGLAND.

It is about six months since we have beard any Copperhead organ or orstor exry in the Northwest been amended? Why do we so longer hear the proposition adenemies? Where is Cox? Where ire the whole tribe of toad-eaters who were lately vituperating Massachusetts, while her soldlers were marching against Port they have aldden, we thrust the Interroga-tory, Whether the opening of the Missis-sippi River by force of arms has not fur-nished rebels better opinions of both the Northwest and New England than a thou-

at 50 obesity with exhorbing the state of th sient visitors being as many more. Mais street, which is the Broadway and Wall of the city, is some three-quarters of a mile is length, is cowded with every grade and de-acription, a large proportion being elegantly dressed males and females.

the timaty, unless it is indeed so as to give to their ore share of the advantage of the second of the second of the advantage of the second of

the people—that is to eay the loys beople, while they reconstruct, or rehabilitiate bein State organizations. Mr. Binir thinks the the National Government miy do this by the military power alone. Mr. Bininer blush that it would be more consonant with our system of popular Government for Congress to take charge of the matter. In cither case—whether the Congress, or the Commander in Chief of the army and many interposes, the sovereignty of the revolted State, is for the time and aske, as a matter of necessity, until new State officers can be elected Both parties are agreed as to the revoke of the Chief of the army and any interpose, the sovereignty of the revolted State, is for the time said as library and the sovereignty for the time, and as library as sovereignty for the time, and as library as the consensus of the few loyal men and women who remain. These have the right state of the few loyal men and women who remain. These have the right state is genual rebellion is overbrown, to call upon the National Consensus to the few loyal men and women who remain. These have the right state is genual rebellion is overbrown, to call upon the National Consensus to the few loyal men and women who remain. These have the right state is genual rebellion is overbrown, to call upon the National Consensus to the few guarantees. To the few in a republican form of Government, "Some to guarantee in and to well the propose of the suppression of Government to the few hand, I actime to think with kir. Summer, state Congress, and not the military power, should reacted this urthority of guaranteeing a republican form of Government to the few hand, I actime to think with kir. Summer, that Congress, and not the military power, should reacted this urthority of guaranteeing a republican from the few securities of congress, and the consensus would, in their practical effects, accomplish all they dealers, and all the change of decuments on a better their mental to the few securities of the few securities of the few few mental to the few few

a white estinal for the restoration of Gen. McCleilan. The Carcasto, which is owned and saidtad by an old Douglas Democrat, on the contrary, has been quitte readest in its utteratest but ever defen implicitly "to the power that be out of the power that the growth of the power that he "I did expect that the open sitsets of Mr. Blair would have provoked a reply, but it is onirely num. The Carcaste is charged with being the organ of the Was Department, but it equally sustains the Secretary of the Tressay, and the President; and in fact it optake well of all the departments without distinction. In fact, I believe that it has never uttened a compaint of or a dissent trem may measure from any department of Gewenment; we it has not escaped the malerical that the distinction of the Sint, who was that it is a quintably with the ideas of his sint, who was that it is a quintably with the ideas of his his, who was that it is a pure the contract of the sint in the sint of the

[Gorrespondence of the N. T. Tribuna.]

Washinstrox, Oct 6, 1973.

Netwithstanding the persistent demin! of a few German and Austrian papers, and the apparent acceptance of the Crown of Mexico by Prince Maximilian is a fact which does not edmit of the least doubt. The last news transmitted from Mexico to Vienna has been so encouraging as to remove all hestation in the mind of Prince Maximilian. He is now willing for the formal offer, which is to be made to him by the deputation sent from Mexico for that purpose, is order to make his decision known to the public. Letters from Paris samousce that Gen. Mo-Mahon, Duke of Magnetta, has been intrusted by the War Department with the organization of a corpeaxinsively composed of irribmen. This corps is to be called the Maximilian Home Guard." Its for astimation from Paris is to be called the Maximilian Home Guard." Its for astimation has been defined upon on the pressuage entresties of sense I fish officers now in Paris, and after estimated by the Communication with the Duke of Magnetta, who is said to be purificilly settinged with the preliminary organization of the Cities brailers, who is said to be purificilly settinged with the preliminary organization of the Cities brailers of the Section of the Cities and Maximilian House Guard with the preliminary organization of the Cities brailers of the Section of the Cities brailers of the Section of the Cities beautiful to the Section of the Cities of the Paris of the Section of the Cities of the Paris of the Paris of the Section of the Section

which they all owe their repets and their power. This country isoks subthing more than an iredependent Frees.

The venerable Entelligence publishes as length the attack of Mr. Biair upon the redical Sepublicans, and cannot withhold the expression of its delight; but it has not a word of the outspoken and subthinhold the expression of its delight; but it has not a word of the outspoken and subthinhold the expression of its delight; but it has not a word of the carrier of the same secardin. These gautheness are called dates for Congress in Maryland, and what they say is a matter of fully as much importance as what Mr. Biair says. This fact there was a measure of the parallel of the free side of the same way. This fact the word of company the Paulmaster General is getting into. General Thomas defended the Freeding of the producted the treatment of the product of the resident's and Slavery Produmention and the Codification Act, and repudiated the into the same way as measure right. In point, Mr. Holland franked it is the same way.

In the words, it can make he had the point of the company of the managed to be the largest in the words. It can make the large of the most capacity as to the annaber of fewers per day is one hundred thousand, but has never yet exceeded tighty-two thousand. Theres hundred hands are employed, who are divided into three forces, who differentiate relieve mach ether like sentingles, so that the work good on day and night, without cassing.

Lock out for thunder in Peansylvania as
Tuesday.

The Methodist Convention at Sprin
field, Ill., have passed the resolution again
alsorry, only right out of one hundred as
alsorry, only right out of one hundred
as a party of the peculiinstitution. A pulpit built up on the to
of men and women, and a conceptation
men steelers and women-whippers won
he a vasily more appropriate alteration in
these lovers of the "institution" th
churches in the free North. It was an in
pressive close to the day, the administing of the outh of loyality by Gov. Yabbut will subject the Conference to a danclation as Abolitionais by the
cesh concern in this city—labithe cents of loyality being on
clem cause to provide its hatred.

The London Times less loose a win
flight of rumors in a manner equalling the
prince of lisin, the New York Hiera
Stephens, the rebed Yice President, is
his way to Parks, empowered to treat w
Napoleon for recognition upon the basis
emancipation. California is going to see
and Join Maxico. It evidently has a
heard the election naws from the Gold
Biate. Maximilian, Emparor of Mexico
about to receive the crown party for
Mexico, and England is going to igne
Hussia's claims on Polassi.

The Union Club inaugurated the polcal fall fashious by a splendid meeting
etheir Hall, on Saturday night. Eloque During the past week, the produce markets have been in a perfect whirt of excitement, and prices have advanced very materially. When is itsife per bushel higher on the week; corn, 17a100 per bushel; cats, 17a100c; rye, 16a17c; barley, 19a15c; highwines, 16a11e per gallon; moss pork, 25.00a1.00 per brit lard, 50 per lb; and tailow, 34a1e per lh.

The following table shows the prices of leading articles of trooter: It is market on Saturday last, compared with those of the Saturday previous:

Saturday, Remarks, 10a10c; 10a1

Chicago Tribune MONDAY, OCTOBER 12, 1384

non Limb Rock Indicates that there is yet he fighting in that region.

The news from Museouri is beginn to present an alarming whase. A por ful face of rebels is in possession of Pacific Railroad at Quilfornia, a sin about twenty-five miles west of Jeffar City. In Moniteau county. Boomy thirty miles north, is threatened, and dals, where there are large Governs store and a heavy stock of railroad is ture, is in changer. In their immin

Brough will averep the State by a name vote at home—a vote which the diers will pile mountains high.

The New Orients correspondent of R. Y. World sends a stery by the defea a portion of Herron's division at Morge about twenty-five inlies north of Kudsen, in which we less several laun killed and wounded and 1,500 prises As it is the Copperhead version of fight, it can eventuate no worse, and hope much better. In a brilling i cavalry skirmish near Franklin, the U. hope much better. In a brillians is cavalry skirraish roar Franklin, the forces were wholly successful, and robel leader was killed.

The Raicigh Standard, destroyed by mob of Georgia soldiers for its hald pressions against Joff. Dayls, has been vived.

The old Keystone State is on fire was the capable Programme of the sold by the Control of the capable Programme of the sold by the Control of the capable Programme of the sold by the capable Programme of the capable P

cal call fashious by a splendid meeting a their Hall, on Saturday night. Eloquer speeches were made by Judge Trumbul Col. Essiman, E. S. Isham, J. A. Jameson and J. D. Ward, Eagrs. The proceeding will be found fully reported in our loc

The Union men of Crete, win county, had a rousing meeting Saturday. Little Will is theroughly Union.

Some of the troops that were dispatched from Meade's army, under Gen. Hooket to reinierce Gen. Rosecrans, mored from their encaspments south of the Potomse, to Stevenson, which is within forty miles of Castiancoga, in ainsty-sis leaves, the remaining distance was marched on fool in two days.

in two days.

We presume that both the army corps from the Potomac are now with Researant, in addition to a good many thousand troops from Indians, Kentucky and other points in Western Tennessee. When to these are added the troops moving to old Rosey's assistance from Vicksburg via Ceriath, the public may rest safely in the belief
